Digital skills relating to European Union Law

1. Introduction

As an introduction, I should like to tell you that this information note presents the Consolidated Educational Innovation Project entitled 'Digital skills relating to European Union law. Advanced level', with reference UV-SFPIE_PIEC-3328714.

2. Context

This Consolidated Educational Innovation Project aims to create a series of teaching mini-videos or 'educational pills' to acquire advanced digital skills in European Union Law.

This activity is part of a Jean Monnet Chair awarded by the European Commission, focusing on the activities of the Court of Justice of the European Union. It is aimed at Law students and professionals, and we hope you find it useful.

3. Objectives

With these teaching mini-videos, you will learn how to: 1) Search for the Opinions of the Advocates General; 2) Search for Judgments of the Court of

Justice of the European Union, knowing the case reference; 3) Search for Judgments of the Court of Justice of the European Union, knowing the date on which they were delivered; 4) Search for Opinions of the Court of Justice of the European Union, knowing the case reference; 5) Search for Opinions of the Court of Justice of the European Union, knowing the date on which they were handed down; 6) Search for Judgments citing a specific European norm; 7) Search for bibliography on a particular Judgment; and 8) Search for case law by subject matter.

I encourage you to apply this knowledge in your studies and professional work. Thank you very much for your attention.
