AI in Daily Life

Many people use Artificial Intelligence (AI) every day. Smartphones, cars, and even fridges can use AI. AI helps us find information, drive safely, or save energy.

- Questions:
 - What is AI?
 - Do you use AI every day?
 - Is AI good or bad? Why?

Reusable Bags

Many supermarkets now use paper or cloth bags instead of plastic. People want to protect the planet. Reusable bags are better for the environment.

- Questions:
 - Do you use reusable bags?
 - Why is plastic bad for the environment?
 - What can you do to help the planet?

Popular Series

Streaming platforms like Netflix or Disney+ are very popular. People watch series and movies at home. Some popular series are about superheroes, love, or real stories.

- Questions:
 - Do you watch series at home?
 - What is your favorite series?
 - Do you prefer movies or series?

Plant-Based Meals

More people eat plant-based food now. They eat vegetables, fruits, beans, and nuts. Some people do it for health, others for the animals or the planet.

- Questions:
 - Do you eat plant-based food?
 - Is it easy to eat healthy food?
 - What is your favorite fruit or vegetable?

TikTok and Reels

Short videos are very popular. TikTok, Instagram, and YouTube have short videos called “reels.” Many young people make and watch them every day.

- Questions:
 - Do you watch TikToks or reels?
 - What kind of videos do you like?
 - Is social media good or bad?
